

## **2025 KINGDOM DREAM 2000 Membership**

**"God is not a joker. He means what He says, and He says what He means. If He says 2000, then He means it." Remember we don't do things if not inspired and instructed of God, we will also never make any move if not in favour of the kingdom of God.**

### **Exciting Update on Our Outreach Plan!**

As previously announced, we planned for 52 outreaches this year, which we've already started. However, the Holy Spirit has expanded our vision — we are now embarking on 100 outreaches!

#### **Breakdown of the Outreaches:**

##### **1) 52 Weekend Outreaches:**

These will take place every weekend after our 1-hour Prayer Assembly. While on the harvest field, we will distribute fliers and send INSTANT DIGITAL INVITATIONS to everyone whose contact we receive, with their names inscribed on the IV. Close to 90 Instant Digital Invitations were sent out in our last outreach, with the people's name inscribed on them each.

##### **2) Minimum three (3) Community Outreaches:**

At least three weekends out of the 52 weeks will be focused on community impact, sharing the Word of God and offering free medical care to those in need. A medical team will conduct examinations and tests, providing medication where necessary—all after the Word has been preached and prayers have been made.

##### **3) 48 Midweek Outreaches (February – December):**

Every Wednesday morning, individuals are encouraged to pick up fliers from the church and invite people, especially from your school, to our midweek service. These are people we may not reach during our weekend outreaches. Minimum 200 fliers must be distributed before the evening service. Alternatively, fliers can be picked up on Sundays after service if you won't be available on Wednesday mornings.

It is my prayer that the hand of God will perform His intentions for this.

"Blessed be the Lord God of Israel, who spoke with His mouth to my father David, and with His hand has fulfilled it, saying" - 1 Kings 8:15

As our father in faith has said, "God is not a user of men, but a blesser of men." Your blessings await as you align yourself with this divine call.

By all means, your story MUST change this year.

*God bless you!*

## AMAZING WONDERS VIA SOUL WINNING!

“Ever since Jesus healed me on January 25, 2016, having been bedridden for 13 months, it has been from one level of glory to another. As at December 2015, I had nothing left, because I lost everything, including cars and houses. I immediately joined the Covenant Hour of Prayer and also took a decision to capture my area for Jesus. I was so dedicated to winning souls that I wouldn’t sleep, even at night, just to minister Jesus to someone. On February 20, to my amazement, a friend gave me a brand new car. So, I decided to get more involved in soul winning.

When it was announced that every winner must come with one soul every Sunday, I promised God that I would harvest 50 souls every Sunday. By God’s help and favour, I was able to bring 50 souls to Church on March 13, 2016. On March 15, at midnight, I approached God, requesting Him to make me one of the few labourers since the harvest is overripe. I told Him that I want to be bringing 100 souls every Sunday. To my amazement, God opened my eyes to see the ripe harvest field and the following day, I rushed into the place with 100 loaves of bread and shared among the people using it as a point of contact to the body of Jesus. By divine arrangement, God gave me a 3-bedroom duplex in a high brow area in Abuja as my personal house on March 18, before I even brought the 100 souls. This morning alone, in the first service, I was able to bring 25 souls. Finally, I am building a University in my town and a construction company has decided to partner with me to see the project completed. I thank the Almighty God for the Operation By All Means 2016 Prophetic Agenda. To Him alone be all the glory!”

## SUPERNATURAL FAVOUR VIA KINGDOM ADVANCEMENT PRAYERS

I have been believing God for a scholarship to go and commence my master’s degree and for a miracle job. I joined this commission in December last year and before now; I knew nothing about praying kingdom advancement prayers. This year, I decided to join in praying kingdom advancement prayers and to the glory of God, just within two weeks, I was invited for a job interview and I was also awarded two scholarships to start my master’s degree abroad. To God alone be all The Glory. JESUS IS LORD!

## GOD REWARDED ME FOR SERVING HIM!

On January 24, 2016, God’s Servant, Bishop David Oyedepo instructed everyone to bring a soul to church the following Sunday. He further said, ‘If nothing drops for anyone who obeys, then I’m not sent.’ These words moved me. That week, I went out on Wednesday and GOD gave me one soul, who reluctantly said because of his faith he can’t promise that he will come. Then, I took it up to pray that the reaper angels will visit him in visions and dreams of the night thereby pointing his attention to this church for his salvation. Surprisingly, he came to church and gave his life to Christ. Miraculously, that week, GOD gave my family and I, a house in Lagos free. It was fully furnished and paid for. In addition, my 6-year old son was granted a scholarship. All of this was in fulfilment of the prophetic word from God’s Servant. I give all the glory to God for His faithfulness in my life!”
